

A HOLISTIC APPROACH

TO LEARNING

HANDS

stand for the 'skills' that we need to facilitate learning effectively i.e. tools, methods and approaches

HEAD

stands for knowledge and intellect, encouraging an exploration of what concepts, theories, understanding and ideas we need to know

HEART

stands for our intentions and the 'values' we embed in learning outcomes – e.g. inclusion, empathy, social justice

'COMPETENCE'

is the core of the head, heart and hands.
